Operation of Hope

What a pleasure to have Worldchangers, a nationwide missions organization, at GraceWay Village for four days this summer! They arrived from Tennessee, Texas, and New Mexico to offer help with maintenance tasks around our facilities and to provide assistance for our Clothing Boutique and Cafe. They were an incredible blessing to GraceWay Village!

I cannot brag enough about the wonderful volunteers at GraceWay Village who genuinely impact our community. This quarter we have provided 16,649 free hot meals to our neighbors in need! Thank you for your kind hearts, warm smiles, and love for others!

Faith United of Fort Pierce was so gracious to share from their ministry some much needed pantry items and they even donated shelving as well! Our food pantry is an important component in helping to drive away food insecurities for the clients at GraceWay Village.

The Children's Clothing Boutique served 603 children in our second quarter this year! The ladies of Impact 100 St Lucie Chapter helped make that possible by plunging into mounds of donated clothes for our clothing boutique. Thank you for getting to the bottom of the clothing bin and smiling the whole while!

2023 Celebrating a Summer of Giving & Growth

Voice of the Village

Message from GWV CEO, Chrystal Netherton

As the incoming CEO of GraceWay Village, I am thrilled to share with you the incredible milestones we have achieved this year in our relentless pursuit of positively impacting the lives of those we serve. With immense delight, I announce the heartwarming accomplishments of our dedicated team and the overwhelming support of our community.

A Wardrobe of Compassion: 1100 Children Clothed and Counting

At GraceWay Village's Clothing Boutique, we firmly believe every child deserves to feel comfortable and confident in their clothes. This year, we are overjoyed to have provided free clothing to over 1,100 children in need. This achievement wouldn't have been possible without the generous donations from our compassionate donors and the hard work of our volunteers. By ensuring these children have access to quality clothing, we are fostering a sense of dignity and empowerment that will undoubtedly pave the way for brighter futures.

The Café Program: Sustaining Bodies and Nourishing Souls

Our Café Program has continued to be a beacon of hope and sustenance for those facing food insecurity. Through this program, we are humbled to announce that we have served over 33,000 meals this year alone. These meals provide nourishment and create an atmosphere of warmth and support where individuals and families can find respite and community. We extend our heartfelt gratitude to our tireless volunteers and supporters who make this program possible, proving that together, we can make a meaningful difference in the lives of others.

Empowering Futures: Basic Life Skills Workshops

The success of our Basic Life Skills Workshops fills our hearts with joy. We are thrilled to see how enthusiastically they have been embraced by the clients we serve. These workshops, centered around financial awareness and budgeting, provide essential knowledge and tools that empower individuals to take control of their economic destinies. Through education and support, we foster financial independence and self-reliance, ultimately helping people build a foundation for a better life.

Looking Ahead with Big Dreams, and Great Expectations

We recognize that none of this would be possible without the unwavering support and dedication of our community. Your generosity, time, and belief in our mission have allowed us to touch lives and inspire positive change.

Looking ahead, we are committed to expanding our efforts and broadening our reach. Together, we can create a future where compassion, support, and empowerment are readily available to all who need it. Watch for exciting news on the horizon!

On behalf of GraceWay Village, I extend my deepest gratitude to each of you.

*Together,
Restoring Hope and Renewing Lives,
Chrystal Netherton*
